What is a pledge?

Your pledge is your heartfelt, documented financial commitment to support Christ Church's ministries and programs in the year ahead. Each fall, Christ Church asks every parishioner to make this commitment.

Is my pledge confidential?

Yes. Our rector and parish administrator remove names from pledges before reporting the sum total of the pledge drive to the vestry.

Why not simply give what I can in the offering plate?

Pledges provide the vestry with an estimate of expected income essential to the preparation of the church's annual budget. Christ Church cannot operate and thrive without a reasonable estimate of its financial resources. Your pledge reinforces the importance of God and Christ Church in your life.

How much should I pledge?

Your pledge is a personal decision between God, you, and your family. It should be grounded in your faith, love, and commitment to God's work through Christ Church. It requires reflection, prayer, and priority.

How should I pay my pledge?

Options include checks, cash, and Paypal (which deducts a 3-5% fee.) Your online banking service has an automatic bill pay option which will print and mail a monthly check to Christ Church.
